

Tafsir Mbodj NDIOUR

24 years old

Student engineer in computer science

📞 0773169158

✉️ tamsir97@gmail.com

📍 75014, Paris

🚩 senegalese

Tafsir is an enthusiast developer who likes to share, work in a team while knowing how to evolve independently. I love learning a new programming language or exploring a new framework with my personal projects, it allows me to discover new concepts or new ways of coding.

COMPÉTENCES

Langues

C, C++, Java, PHP, Javascript, HTML5, CSS3, SQL, Python, Prolog, Ocaml

Technologies

Flutter, NodeJS, Angular, React, Symfony, MySQL, Matlab,

Tools

Git, Linux, Visual Studio Code

Office automation

World, Excel, PowerPoint

FORMATIONS

Computer engineering school

Sup Galilée – Université Sorbonne Paris Nord, Villetaneuse – Depuis sept. 2020

Projet C: Watershed https://github.com/Risfat97/Projet_Watershed

Object Oriented Programming: Java

Database

Web programming

Theory of graphs

Computer systems modelling

Second year computer science degree

Institut Galilée – Université Sorbonne Paris Nord, Villetaneuse – sept. 2019 / 06.2020

Data structure and algorithms

System administration

Operating system

Java: Graphic interface simulating classic philosophers' dinner problem using threads.

Second year undergraduate degree in Maths Physics Computer Science

Université Gaston Berger, Saint Louis – Sénégal – 12.2017 / 08.2018

Bachelor's degree

Lycée Abdoulaye Sadi, Rufisque – Sénégal – 10.2015 / 07.2016

LANGUES

French

Fluent

English

Middle

Wolof

Native language

INTÉRÊT

Self-learning

Learn new skills in the field of IT, where technologies are constantly evolving, through online training websites.

Music:

Rap, Acoustique, Mbalax

Sport: Football

EXPERIENCES

Full stack developer

Etienne Services, Paris – Depuis 09.2021

web development full stack with PHP, JavaScript, HTML5, CSS3, SQL (MariaDB) and mobile apps.

Co-founder of Jant TECH and developer front-end/back-end.

Jant TECH, Dakar – Sénégal – Depuis 07.2020

Frameworks / Programming languages: Angular / Typescript / Javascript / PHP / SQL / Mysql / HTML & CSS

Tutor of C programming language en langage

Institut Galilée – Sorbonne Paris Nord University, Villetaneuse – 11.2020 / 07.2021

Helping students in first year undergraduate degree in programming with their first language which is the C programming language.

Professeur cours particuliers de Maths

Complétude, Paris – 02.2021 / 07.2021

Coaching middle and high school students in Maths in order to improve their level.
